磨沟沿 MOGOUYAN 老字號

兰州牛肉面 • HAND PULLED NOODLE

兰州手工牛肉面起源于清朝,经过数百年的传承,已成为中国最具代表性的经典美食之一。虽然面食在中国十分常见,但若想真正体会其精髓,仍需来到西北重镇兰州。当地人常说,只需一碗正宗的手工牛肉面,便能感受到这座城市的灵魂。

“磨沟沿”源自兰州市中心的一处地名。拥有超过四十年的历史与多家门店,磨沟沿已成为当地最具代表性与知名度的牛肉面品牌之一。

一碗传统的磨沟沿牛肉面讲究严谨的标准:
一清:汤清味醇、无添加;
二白:萝卜洁白清爽;
三红:辣油红亮;
四绿:香菜与葱翠绿提香;
五黄:手工拉面粗细有致、筋道爽滑。

每一碗的灵魂,在于精心熬制的牛肉原汤。磨沟沿坚持选用天然食材,以数小时慢火熬煮,呈现出香气浓郁、层次丰富且纯净醇厚的传统风味。

2019年6月,磨沟沿正式进驻加拿大多伦多,致力于将正宗兰州风味带给当地食客。我们持续将兰州牛肉面的传统文化与手工技艺分享给更广泛的食客。

诚邀您品尝磨沟沿牛肉面,感受每一碗背后的传承与用心。

Dating back to the Qing Dynasty, Lanzhou hand-pulled beef noodles have become one of China's most iconic culinary traditions. While noodles are a staple throughout China, their true spirit is best experienced in Lanzhou, a historic city in Northwest China. Locals often say that a single bowl of authentic Lanzhou beef noodles is enough to capture the soul of the city.

Mogouyan takes its name from a place located in the heart of Lanzhou. With over 40 years of history and multiple restaurant locations, Mogouyan has become one of the region's most recognized and respected beef noodle brands.

A traditional bowl of Mogouyan hand-pulled beef noodles follows a time-honored standard:

One Clear — a rich, additive-free broth;
Two White — crisp white radish;
Three Red — bright chili oil;
Four Green — fresh cilantro and green onion;
Five Yellow — hand-pulled noodles with a smooth and chewy texture.

At the heart of every bowl is our slow-simmered original beef broth. Using carefully selected natural ingredients and hours of slow cooking, Mogouyan's broth delivers a deep aroma, remarkable clarity, and rich layers of flavor.

In June 2019, Mogouyan officially arrived in Toronto, bringing authentic Lanzhou flavors to Canada. As the brand continues expanding, we remain committed to sharing the tradition and craftsmanship behind Lanzhou hand-pulled beef noodles with a broader audience.

We invite you to experience the tradition, care, and heritage behind every bowl at Mogouyan.
